Return Operations by charter flights from 2006 to 2018

Destinations of ROs coordinated by Frontex 2006 - 2018 (SoP 14/09/2018)

Type of Return Operations by charter flight

Joint Return
Operations

National Return
Operations

Collecting Return
Operations

RETURNS BY SCHEDULED FLIGHTS

State of Play

- 648 TCNS returned in returns by scheduled flights supported by Frontex (SoP 14/09/18);
- About 100 operations organized for the weeks to come;
- Numbers steadily increasing;
- System upgraded, satisfactory performance;
- New TCoR and airlines constantly added to the system;
- Voluntary departures soon to be supported;
- Group booking solution soon to be available in the system;
- Software is being redesigned to support the new developments and improve the user experience.

Thank you for your attention!
