Coreper Part 2

- SWIFT / TFTP (Terrorist Finance Tracking Programme)

The Committee was called to discuss prospects for Council adoption of the Decision on the signature of the TFTP Agreement initialled by the Commission, and for subsequent consent thereto by the European Parliament.

Following an extensive exchange of views, also in light of information gathered by the Presidency and the Commission on the position of European Parliament political Groups, the Committee advised the Commission to attempt to re-negotiate with the US one provision (art. 12.1) which was case-sensitive for the European Parliament.

The Committee also took note of three draft Declarations that would be attached to the Decision on signature at the time of adoption ; and convened to return to the issue at its regular meeting on 23 June with a view to preparing adoption (as an "A" item) of the same Decision at the "Transport/Telecom and Energy" Council later in the week (24 June).
