

**FRONTEX OPEN TENDER: Frontex/OP/122/2013**

**“Purchase of aerial border surveillance service for the EU external land borders”**

**Clarification Document No. 3 - issued on 25.04.2013**

**Answers to the Requests for Clarification received from potential Tenderers**

**Question 16.**

Unfortunately the answer on question 15 still is no clear answer to us. Is an offer with an aircraft with a Maximum Take Off Weight of more than 3000 Kg acceptable and/or compliant or not?

**Answer 16.**

The proposed aircraft shall meet the requirements stipulated in the Technical Specification.
