Compromise amendment by Alexander Nuno Alvaro

#### Amendment 1

(Compromise amendment replacing Amendment 14 Alvaro, 100 Cavada)

Article 1, paragraph 1

1. This Directive aims to harmonise the provisions of the Member States concerning obligations on the providers of publicly available electronic communications services or of a public communications network with respect to the processing and retention of certain data, in order to ensure that the data is available for the purpose of the prevention, investigation, detection and prosecution of serious criminal offences,

1. This Directive aims to harmonise the provisions of the Member States concerning obligations on the providers of publicly available electronic communications services or of a **publicly accessible electronic** communications network with respect to the processing and retention of certain data, **and to ensure that the rights to the respect for private life and to the protection of personal data in the access and use of these data are fully respected**, in

Amendment 3

(Compromise amendment replacing Amendment 20 Alvaro, 124 Reul, 125 Kaufmann, 126

1. By way of derogation to Articles 5, 6 and 9 of Directive 2002/58/EC, Member States shall adopt measures to ensure that data which are generated *or* processed *by providers of publicly available electronic communications services or of a public communications network within their jurisdiction* in the process of supplying communication services *are retained* in accordance with the provisions of this Directive.

1. By way of derogation to Articles, 6 and 9 of Directive 2002/58/EC, Member States shall adopt measures to ensure that, *in the event of a successfully established connection, providers of publicly accessible electronic communications services or of a public communications network providing the service in question retain and make available* data which are generated *and* processed in the process of supplying communication services in accordance with the provisions of this Directive *by that provider who has offered the respective used electronic communication service.*

Amendment 5

(Compromise amendment replacing Amendment 22 Alvaro, 141 Roure, Kreissl-Dörfler, Fava, 142 Kaufmann, 143 Cavada, 144 Lambrinidis, Mastenbroek)

Article 3 a (new)

*Access to retained data*

***1. Each Member State shall ensure that access to data retained under this Directive is subject, as a minimum, to the following conditions and shall establish judicial remedies in line with the provisions of Chapter III of Directive 95/46/EC:***

***(a) data is accessed for specified, explicit and legitimate purposes by competent national authorities duly authorised and on a case by case basis and with respect for professional secrecy in accordance with national law;***

***(b) the competent national authorities do not process further the data in a way, which is incompatible with those purposes; any further processing of retained data by competent national authorities for other related proceedings should be limited on the basis of stringent safeguards;***

***(c) any access to the data by other government bodies or private companies is forbidden;***

***(d) access to retained data by any other third parties is illegitimate;***

***(e) the process to be followed in order to get access to retained data and to preserve accessed data is defined by each Member State in their national law; providers are not allowed to process data retained under this Directive for their own purposes;***

***(f) the data are adequate, relevant and are not excessive in relation to the purposes for***

*which they were accessed. Data are processed fairly and lawfully: in any case access is restricted to those data that are necessary in the context of a specific investigation and does not include large-scale data-mining in respect of travel and communications patterns of people unsuspected by the competent national authorities;*

*(g) any accessing of retained data is recorded in a data processing register that enables identification of the requester, the data controllers, the personnel authorised to access and process the data, the judicial authorisation in question, the data consulted and the purpose for which they have been consulted,*

*(h) the competent national authorities keep the data in a form which allows data subjects to be identified only for as long as is necessary for the purpose for which the data were collected or processed further;*

*(i) the competent national authorities safeguard the confidentiality and integrity of the data, including respect for professional secrecy; they record any retrieval of the data and make these records available to the national data protection authorities;*

*(j) data accessed are accurate and, every necessary step is taken to ensure that personal data which are inaccurate, having regard to the purposes for which they were collected or for which they are further processed, are erased or rectified.*

*(k) data are erased once those data are no longer necessary for the purpose for which they are sought*

*(l) competent national authorities may only forward the data to third countries by means of an International Agreement concluded on the basis of Article 300 of the Treaty.*

Amendment 6

(Compromise amendment replacing Amendment 32 Alvaro, 191 Lambrinidis, 192 Roure, Kreissl-Dörfler, lambrinidis, Fava)

Article 3 b (new)

***Data protection and data security***

***Each Member State shall ensure that data retained under this Directive is subject, as a minimum, to the rules implementing Article 17 of Directive 95/46/EC on the protection of individuals with regard to the processing of personal data and the free movements of such data, to the provisions of Article 4 of Directive 2002/58/EC and the following data security principles:***

***(a) the retained data shall be of the same quality and shall be subject to the same security and protection as those data on the network;***

***(b) the data shall be subject to appropriate technical and organisational measures to protect the data against accidental or unlawful destruction or loss, alteration, unauthorised or unlawful disclosure or access, and against all other unlawful forms of processing;***

***(c) the data shall be subject to appropriate technical and organisational measures to ensure that disclosure of, and access to data is undertaken only by authorised persons whose conduct is subject to oversight by a competent judicial or administrative authority;***

***(d) that providers keep log lists and undertake regular and systematic self-auditing to ensure that the applicable rules***

*on data protection are respected;*  
*e) providers of publicly accessible electronic communications services or networks create a separate system of storage of data for public order purposes, the data of this separate system cannot under any circumstance be used for business purposes or other purposes not explicitly authorized under this Directive;*

*(f) competent national authorities may only forward the data to third countries by means of an International Agreement concluded on the basis of Article 300 of the Treaty*

*(g) all data shall be destroyed at the end of the period for retention except those data which have been accessed and preserved.*
