COUNCIL

COUNCIL RESOLUTION

of 26 February 2010

on a Model Agreement for setting up a Joint Investigation Team (JIT)

(2010/C 70/01)

THE COUNCIL OF THE EUROPEAN UNION,

HAVING REGARD to Article 13 of the Convention on Mutual Assistance in Criminal Matters between the Member States of the European Union of 29 May 2000 ⁽¹⁾ (hereinafter referred to as 'the Convention') and to the Council Framework Decision of 13 June 2002 ⁽²⁾ on joint investigation teams (hereinafter referred to as the 'Framework Decision'),

HAVING REGARD to the Council Recommendation on a model agreement for setting up a joint investigation team ⁽³⁾, approved in 2003 to support experts in the initial implementation of JITs,

BEARING IN MIND that at that time it was not possible to base the model agreement on best practice derived from actual experience because of the limited number of JITs then in operation, although it did provide the basis for later JIT agreements,

AWARE that a significant number of JITs have been set up since 2003 and that there is now much greater readiness to set them up than there was a few years ago,

BEARING IN MIND that such a model agreement should be comprehensive but also flexible so as to ensure that the competent authorities may adapt it to the particular circumstances of each case,

CONVINCED that the practitioners need an updated model based on best practices where establishing JITs,

BEARING IN MIND the conclusions of the network of JIT experts set up in 2005 ⁽⁴⁾, particularly the conclusions reached at its third, fourth and fifth meetings held in November 2007 ⁽⁵⁾, December 2008 ⁽⁶⁾ and December 2009 ⁽⁷⁾, and Eurojust and Europol best practice and experience,

BEARING IN MIND that since practice in the establishment and operation of JITs developed and with due regard for the problems and difficulties encountered to date, it was found necessary to replace the Model agreement under Council Recommendation of 2003 with an updated one,

TAKING INTO ACCOUNT that this need is also recognised in the Stockholm Programme, point 4.3.1 of which states that the model agreement for setting up joint investigation teams should be updated,

TAKING INTO ACCOUNT that the main objective of a JIT is to obtain information and evidence about the crime for the investigation of which it has been established,

ENCOURAGES the competent authorities of the Member States that wish to set up a Joint Investigation Team in accordance with the terms of the Framework Decision and the Convention with competent authorities from other Member States, to use, where appropriate, the model agreement set out in the Annex to this Resolution in order to agree upon the modalities for the joint investigation team.

⁽³⁾ In the light of the relevant national legislation and its disclosure requirements, the OAP could be included in the JIT agreement, or as an appendix to the agreement or treated as a separate confidential document. In all cases the competent authorities which sign the agreement shall be aware of the content of the OAP. The OAP must be a flexible document containing practical agreements on a common strategy and on how to achieve the purpose of the JIT set out in Article 2, including the practical arrangements not otherwise covered by this agreement.

The numbers assigned must be included in a confidential document.
