Subject: Operational Action Plans (2013) related to the EU's priorities for the fight against
organised crime between 2011 and 2013

1. Introduction

As scheduled in the framework of the EU policy cycle for serious and organised international crime¹, Operational Action Plans (OAPs) have to be produced on a yearly basis.

¹ Doc. 15358/10 COSI 69 ENFOPOL 298 CRIMORG 185 ENFOCUSTOM 94

New OAPs have been produced for the year 2013, still taking into account the initial strategic goals² for each of the political priorities set by Council³ in June 2011. The OAPs were prepared under the leadership of the Drivers through workshops held at Europol between 17 and 28 September 2012. These drafts have subsequently been edited by the EMPACT Support Unit at Europol in order to ensure the highest possible level of standardisation between them and submitted to the National EMPACT Coordinators during their meeting on 23-24 October 2012.

2. Contents

The OAPs for the different priorities are set out in the following documents:
