Priority question

AUTHOR(S): Franziska Keller

SUBJECT: Joint Police Operation Mos Maiorum
(please specify)

TEXT:

The Council has decided to set up a Joint Police Operation called 'Mos Maiorum' (see Council document 11671/14) that shall be implemented from 13 to 26 October 2014. The purpose of the operation is to apprehend irregular migrants and to identify and prosecute smugglers. FRONTEX will be closely involved in the operation.

I ask the Council:

Which mechanisms have been set up in order to effectively ensure that, in the context of 'migratory profiling', fundamental rights of migrants including the non-discrimination principle, are not violated by, e.g., ethnic profiling in order to detect and apprehend undocumented migrants or by automatic detention of apprehended migrants?

Which effective safeguards are set in place in order to ensure the proper protection of collected personal data?

Which Member States will participate in the operation and what will be the overall costs?
