2. (...)
3. Where there is a sudden and substantial influx of irregular immigrants, **a substantive increase in number of non-readmitted persons or a risk to the internal security**, a Member State may require nationals of third countries other than those referred to in paragraph 1 to hold an airport transit visa when passing through the international transit areas of airports situated on its territory. The duration of such a measure shall not exceed 12 months. The scope and duration of the airport transit visa requirement shall not exceed what is strictly necessary to respond to the sudden and substantial influx of irregular immigrants.
4. **(moved from paragraph 6)** The Member State may prolong the (...) airport transit visa requirement (...) where the lifting of the requirement would **create a risk of** substantial influx of irregular immigrants, **a risk of a substantive increase in number of non-readmitted persons or a risk to the internal security**. **Any subsequent prolongations shall not exceed 12 months.**
5. **(moved from paragraph 4)** Where a Member State plans to introduce **or prolong** the airport transit visa requirement in accordance with paragraphs 3 **and 4**, it shall, as soon as possible **but not later than six weeks before the prolongation takes effect**, notify the Commission, and shall provide (...) **its analysis regarding, in particular:**

5b. A common list of third countries whose nationals are required to be in possession of an airport transit visa when passing through the international transit area of airports situated on the territory of the Member States shall be established by the Commission by means of implementing acts. The Commission shall at least yearly assess the need for such an amendment.

1. Member States shall collect biometric identifiers of the applicant comprising a photograph of him and his 10 fingerprints in accordance with the safeguards laid down in the Council of Europe's Convention for the Protection of Human Rights and Fundamental Freedoms, in the Charter of Fundamental Rights of the European Union and in the United Nations Convention on the Rights of the Child.
2. At the time of submission of the first application, the following biometric identifiers of the applicant shall be collected:
 - a photograph, scanned or taken at the time of application, and
 - his 10 fingerprints taken flat and collected digitally.

3. Where fingerprints collected from the applicant as part of an earlier application for a short stay visa or a [touring visa] were entered in the VIS for the first time less than 59 months before the date of the new application, they shall be copied to the subsequent application.

However, where there is reasonable doubt regarding the identity of the applicant, the consulate shall collect fingerprints within the period specified in the first subparagraph.

Furthermore, if at the time when the application is lodged, it cannot be immediately confirmed that the fingerprints were collected within the period specified in the first subparagraph, the applicant may request that they be collected.

4. In accordance with Article 9(5) of Regulation (EC) No 767/2008, the photograph attached to each application shall be entered in the VIS.

The technical requirements for the photograph shall be in accordance with the international standards as set out in the International Civil Aviation Organization (ICAO) document 9303 Part 1, 6th edition.

5. Fingerprints shall be taken in accordance with ICAO standards and Commission Decision 2006/648/EC.

6. The biometric identifiers shall be collected by qualified and duly authorised staff of the authorities competent in accordance with Article 4(1), (2) and (3). Under the supervision of the consulates, the biometric identifiers may also be collected by qualified and duly authorised staff of an honorary consul as referred to in Article 40 or of an external service provider as referred to in Article 41. The Member State(s) concerned shall, where there is any doubt, provide for the possibility of verifying at the consulate fingerprints which have been taken by the external service provider.

7. The following applicants shall be exempt from the requirement to give fingerprints:
- (a) children under the age of 12;
 - (b) persons for whom fingerprinting is physically impossible. If the fingerprinting of fewer than 10 fingers is possible, the maximum number of fingerprints shall be taken. However, should the impossibility be temporary, the applicant shall be required to give the fingerprints at the following application. The authorities competent in accordance with Article 4(1), (2) and (3) shall be entitled to ask for further clarification of the grounds for the temporary impossibility. Member States shall ensure that appropriate procedures guaranteeing the dignity of the applicant are in place in the event of there being difficulties in enrolling;

8. In the cases referred to in paragraph 7, the entry 'not applicable' shall be introduced in the VIS in accordance with Article 8(5) of Regulation (EC) No 767/2008.

Article 13

Supporting documents

1. When applying for a uniform visa, the applicant shall present:
- (a) documents indicating the purpose of the journey;
 - (b) documents in relation to accommodation, or proof of sufficient means to cover his accommodation;

(c) documents indicating that the applicant possesses sufficient means of subsistence both for the duration of the intended stay and for the return to his country of origin or residence, or for the transit to a third country into which he is certain to be admitted, or that he is in a position to acquire such means lawfully, in accordance with Article 5(1)(c) and (3) of Regulation (EC) No 562/2006 of the European Parliament and of the Council;

(d) information enabling an assessment of the applicant's intention to leave the territory of the Member States before the expiry of the visa applied for.

2. Points (b) and (c) (...) of paragraph 1 **shall** not apply to applicants who are VIS registered regular travellers and who have lawfully used the **visas** and are nationals of countries included in the common list of third countries that cooperate on readmission.¹

¹ **IT, PL, PT** were of the opinion that creating an automatic link with readmission by establishing such a list was not the right approach. **IT**: it would not be legally acceptable for individual holders of diplomatic passports to be penalised. On the contrary, **CZ** thought it would be good to cover diplomats, business people and the like, so that they could have an influence on their governments. **PT** and **BG** would be in favour of inserting a recital regarding readmission instead. **BG** stressed the risk of diplomatic problems with third countries that are not included in the list. **SI** was not against the idea of having a list but would prefer a recital as well. **HR** disagreed with the creation of such a list since it believed there are other ways to force third countries to cooperate on readmission. **ES** doubts that the system can work in practice. However, **EL** agreed that facilitations should not be applied to applicants from a country not included in the list, but stressed that holders of diplomatic or service/official passports should not be covered as they remain under national competence. **CH**, supported by **AT, CZ, and HU**, agreed with the Presidency's suggestion but stated that inserting such a list in an article on supporting documents was not the right thing to do. **FR** agreed but suggested leaving "as soon as possible" and deleting the rest of the sentence. **FI, NO**: agreed but would prefer one year instead of two. **SE** and **HU** agreed and suggested having the list reviewed by the Commission on a yearly basis, as for the ATV list (see Article 3(5c)). **RO, SK** supported the suggestion made by the Presidency. **BE**: scrutiny reservation. The **representative of the Commission (COM)** raised the issue of the deadlines, since it did not consider them feasible in practice. COM, while agreeing that the recast rules had to be respected, was also of the opinion that an article on supporting documents was not the correct place to insert such a list.

2a. The Commission shall establish a list of countries that cooperate on readmission by means of an implementing act, in accordance with Article 51(2). The Commission shall adopt the list as soon as possible, and in any case within two years after the entry into force of this Regulation. The Commission shall assess the need for amending this common list on a yearly basis.

When setting up and amending the list of countries that cooperate on readmission, the Commission shall base its proposal on the following criteria:

- (a) Existence of EU Readmission Agreements and practical experiences of Member States in the implementation of these agreements, if applicable including the third country nationals clauses;
- (b) Existence of bilateral readmission agreements and practical experiences of Member States in the implementation of these agreements, if applicable including the third country nationals clauses;¹
- (c) Practical experiences of Member States in their cooperation with third country authorities in view of
 - (i) timely identification of persons subject of a return decision;
 - (ii) recognition of the European travel document for the return of illegally staying third-country nationals (EU Laissez Passer);
 - (iii) timely delivery of the necessary travel documents;
 - (iv) timely fulfilment of other administrative requirements;
 - (v) organising and agreeing swiftly on practical modalities for effective readmission²
 - (vi) the acceptance of joint return flights

¹ DE suggested inserting a link to the "EU laissez-passer".

² CH said it would send a drafting suggestion to the Presidency.

2b. Member States may at any moment suspend procedural facilitations-referred to in articles 13(2), 14(3)(d), 18(2) and 21(3) and (4) if they experience practical problems with the matters¹ referred to in paragraph 2a(c). When suspending those procedural facilitations, the Member State shall immediately notify the Commission. The Commission shall take these notifications into consideration when assessing the need for amending the common list.²

3. (...)

Family members of Union citizens as referred to in Article 3 of Directive 2004/38/EC shall (...) **submit** documentary evidence proving that they travel to accompany or join the Union citizen and the family relationship with the Union citizen as referred to in Article 2(2) or the other circumstances referred to in Article 3(2) of that Directive. **Family members of Union citizens as referred to in Article 3 of Directive 2004/38/EC may be requested to submit originals of those documents.**

4. The list of supporting documents which may be requested from the applicant in order to verify the fulfilment of the conditions listed in paragraph 1 is set out in Annex II.

¹ **COM** wondered what was meant by "matters". Would it mean that a Member State may suspend the facilitations in the event of a problem regarding only one issue referred to in paragraph 2a(c)?

² **FR**, supported by **BE**, **NO**: it is important that Member States be notified as well, in particular in case of representation arrangements. In such cases, **SE** stressed the need for coordination between the two Member States concerned. **SI** stressed the risk of the lack of harmonisation of Member States' practices in that area. **PL**, supported by **LV** and **BE**, disagreed with the idea, being of the opinion that it might lead to visa shopping. **DE** entered a scrutiny reservation. **BG**, **SI**: no clarity as to whether or not a third country would be included in the list. **COM** stressed that the question of whether or not a country is included had to be crystal clear if this procedure was to be provided for in the Visa Code. **COM** believed that in case of representation arrangements, this procedure would be difficult to implement. Moreover, **COM** stressed that discrepancy between the national list and the common list should be avoided. Furthermore, **COM** stressed that further reflection was needed on these provisions, for instance concerning the consequences for a Member State which decides to suspend procedural facilitations, in the case that the Commission would not take into account the notification made by that Member State. The **Chair** concluded that there was broad support for the Presidency's suggested wording and that some points still had to be fine-tuned.

5. Consulates may waive one or more of the requirement to provide one or more of the documents referred to in paragraph 1(a) to (d) in the case of an applicant known to them for his integrity and reliability, in particular the lawful use of previous visas, if there is no doubt that he will fulfil the requirements of Article 5(1) of Regulation (EC) No 562/2006 at the time of the crossing of the external borders of the Member States.

6. **(moved from paragraph 9)** Within local Schengen cooperation lists of supporting documents shall be prepared in each jurisdiction in order to take account of local circumstances.

7. Member States may require applicants to present a proof of sponsorship and/or private accommodation by completing a form drawn up by each Member State. That form shall indicate in particular:

- (a) whether its purpose is proof of sponsorship and/or of private accommodation;
- (b) whether the sponsor/inviting person is an individual, a company or an organisation;
- (c) the identity and contact details of the sponsor/inviting person;
- (d) the applicant(s);
- (e) the address of the accommodation;
- (f) the length and purpose of the stay;
- (g) possible family ties with the sponsor/inviting person;
- (h) the information required pursuant to Article 37(1) of Regulation (EC) No 767/2008.

In addition to the Member State's official language(s), the form shall be drawn up in at least one other official language of the institutions of the Union. A specimen of the form shall be notified to the Commission.

8. When applying for an airport transit visa, the applicant shall present:

- (a) documents in relation to the onward journey to the final destination after the intended airport transit;
- (b) information enabling an assessment of the applicant's intention not to enter the territory of the Member States.

9. **(moved from paragraph 6)** The consulate shall start processing the visa application of a **VIS registered regular traveller** on the basis of (...) copies of the supporting documents. (...) The consulate may ask for original documents from **VIS registered regular travellers (...)** where there is doubt about the authenticity of a specific document. **Other applicants shall provide the original supporting documents, unless otherwise decided by the consulate.**

10. Without prejudice to paragraph 1, Member States may provide exemptions from the list of supporting documents referred to in paragraphs 4 and 9 in the case of applicants attending major international events organised in their territory that are considered particularly important due to their tourism and/or cultural impact.

11. The Commission shall by means of implementing acts adopt the lists of supporting documents to be used in each jurisdiction in order to take account of local circumstances. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 51(2).

Article 14

Visa fee

1. Applicants shall pay a visa fee of EUR 60.
2. Children from the age of six years and below the age of 12 years shall pay a visa fee of EUR 35.
- 2a. The visa fee shall be revised regularly in order to reflect the administrative costs.
3. The following categories shall pay no visa fee:
 - (a) **children under the age of six years;**
 - (b) school pupils, students, postgraduate students and accompanying teachers who undertake stays for the purpose of study or educational training;

(c) researchers from third countries, as defined in Council Directive 2005/71/EC, travelling for the purpose of carrying out scientific research or participating in a scientific seminar or conference;

(d) holders of diplomatic and service passports issued by countries listed in the common list referred to in Article 13(2a);¹

(e) participants aged 25 years or less in seminars, conferences, sports, cultural or educational events organised by non-profit organisations;

(f) (...)

(g) family members of Union citizens as referred to in Article 3 of Directive 2004/38/EC in accordance with Article 5(2) of that Directive.

4. Member States may, in individual cases, waive or reduce the amount of the visa fee to be charged when to do so this serves to promote cultural or sporting interests as well as interests in the field of foreign policy, development policy and other areas of vital public interest or for humanitarian reasons.

¹ **FR, AT, DE, SE, FI, CZ, NO** supported the Presidency's suggestion. **IT**, while agreeing with the idea of the fee waiver, wanted clearer wording to be found. **AT**: need to check if reciprocity is guaranteed. Moreover, in reference to paragraph 4 on the basis of which Member States may waive or reduce the visa fee "in individual cases", **AT**, supported by **HU, EL**, suggested including the same possibility when this serves foreign policy interests. **PL** disagreed, since lifting the visa obligation for such holders is a national competence, and therefore, waiving their visa fee should also be left to national competence. **COM** also believed that imposing a visa fee on certain diplomats would be only symbolic (they can afford EUR 60) and would not constitute an incentive for their countries to cooperate on readmission, but it could have a negative effect. Moreover, **COM** was not in favour of adding flexibility along the lines of **AT**'s suggestion (lifting the visa fee in "individual cases") as this would lead to less harmonisation. The **Chair** concluded that the essence of this article would be kept while the wording would be improved before the next meeting of the Working Party.

4a. The visa fee may be waived for children from the age of six years and below the age of 12 years.¹

5. The visa fee shall be charged in euro, in the national currency of the third country or in the currency usually used in the third country where the application is lodged, and shall not be refundable except in the cases referred to in Articles 16(2) and 17(3).

When charged in a currency other than euro, the amount of the visa fee charged in that currency shall be determined and regularly reviewed in application of the euro foreign exchange reference rate set by the European Central Bank. The amount charged may be rounded up and consulates shall ensure under local Schengen cooperation that they charge equivalent fees.

6. The applicant shall be given a receipt for the visa fee paid.

Article 14a

Travel medical insurance

1. Applicants for a uniform visa for **one entry** shall prove that they are in possession of adequate and valid travel medical insurance to cover any expenses which might arise in connection with repatriation for medical reasons, urgent medical attention and/or emergency hospital treatment or death, during their stay(s) on the territory of the Member States.

2. Applicants for a uniform visa **for (...) multiple entries** shall prove that they are in possession of adequate and valid travel medical insurance covering the period of their first intended visit.

In addition, such applicants shall sign the statement, set out in the application form, declaring that they are aware of the need to be in possession of travel medical insurance for subsequent stays.

¹ **BE, PT, ES, CH:** scrutiny reservation on the deletion of the fee waiver for holders of diplomatic and service passports, since it could make diplomatic relations with third countries difficult. **BG** disagreed with the deletion since it was of the opinion that the only result of such a system would be reciprocal measures by the third countries concerned. **EL** warned that imposing a visa fee on diplomats from countries not cooperating on readmission would only constitute a symbolic gesture while causing complications in relation to those countries. **AT, DE:** scrutiny reservation.

3. The insurance shall be valid throughout the territory of the Member States and cover the entire period of the person's intended stay or transit. The minimum coverage shall be EUR 30'000.

When a visa with limited territorial validity covering the territory of more than one Member State is issued, the insurance cover shall be valid at least in the Member States concerned.

4. Applicants shall, in principle, take out insurance in their country of residence. Where this is not possible, they shall seek to obtain insurance in **an-other country of the consular jurisdiction of the competent consulate as referred to in Article 6(1) and (2), in the Member State of destination, or another Member State.**¹

When (...) **a third party** takes out insurance in the name of the applicant, the conditions set out in **the previous paragraph** shall apply. **In the case of sponsorship and/or private accommodation as referred to in Article 13(7), the third party may take out insurance in the name of the applicant in the third party's country of residence.**

5. When assessing whether the insurance cover is adequate, consulates shall ascertain whether claims against the insurance company would be recoverable in a Member State.

6. The insurance requirement may be considered to have been met where it is established that an adequate level of insurance may be presumed in the light of the applicant's professional situation. The exemption from presenting proof of travel medical insurance may concern particular professional groups, such as seafarers, who are already covered by travel medical insurance as a result of their professional activities.

7. Holders of diplomatic passports shall be exempt from the requirement to hold travel medical insurance.

¹ **BE** stated that this provision would go against the rules on competition. **CH** disagreed due to reasons of freedom of contract and recalled that such a rule had always been applied.

8. Personal data contained in the travel medical insurance shall be processed in accordance with Regulation XXX.¹

Article 15

Service fee

1. A service fee may be charged by an external service provider referred to in Article 41. The service fee shall be proportionate to the costs incurred by the external service provider while performing one or more of the tasks referred to in Article 41(6).
2. The service fee shall be specified in the legal instrument referred to in Article 41(2).
3. The service fee shall not exceed half of the amount of the visa fee set out in Article 14(1), irrespective of the possible reductions in or exemptions from the visa fee as provided for in Article 14(2), (3), (4) and (4a).

¹ **DE, CH, SE, AT, COM** entered a scrutiny reservation and wondered why the wording on data protection had to be deleted.
The **Council Legal Service** (CLS) explained that the text had been deleted since the processing of personal data by the Member states is regulated in the new Regulation on data protection.
The **Chair** concluded that the deletion of the text would be maintained and invited delegations to lift their reservations.

CHAPTER III

EXAMINATION OF AND DECISION ON AN APPLICATION

Article 16

Verification of consular competence

1. When an application has been lodged, the consulate shall verify whether it is competent to examine and decide on it in accordance with the provisions of Articles 5 and 6.
2. If the consulate is not competent, it shall, without delay, return the application form and any documents submitted by the applicant, reimburse the visa fee, and indicate which consulate is competent.

Article 17

Admissibility

1. The competent consulate shall verify whether:
 - (a) the application has been lodged within the period referred to in Article 8(1),
 - (b) the application contains the items referred to in Article 9(3)(a) to (c),
 - (c) the biometric data of the applicant have been collected, and
 - (d) the visa fee has been collected.
2. Where the competent consulate finds that the conditions referred to in paragraph 1 have been fulfilled, the application shall be admissible and the consulate shall:
 - (a) follow the procedures described in Article 8 of (EC) No 767/2008, and
 - (b) further examine the application.

Data shall be entered in the VIS only by duly authorised consular staff in accordance with Articles 6(1), 7, 9(5) and 9(6) of Regulation (EC) No 767/2008.

3. Where the competent consulate finds that the conditions referred to in paragraph 1 have not been fulfilled, the application shall be inadmissible and the consulate without delay shall:

- (a) return the application form and any documents submitted by the applicant,
- (b) destroy the collected biometric data,
- (c) reimburse the visa fee, and
- (d) not examine the application.

4. By way of derogation, an application that does not meet the requirements set out in paragraph 1 may be considered admissible on humanitarian grounds or for reasons of national interest.

Article 18

Verification of entry conditions and risk assessment

1. In the examination of an application for a uniform visa, it shall be ascertained whether the applicant fulfils the entry conditions set out in Article 5(1)(a), (c), (d) and (e) of Regulation (EC) No 562/2006, and particular consideration shall be given to assessing whether the applicant presents a risk of irregular immigration or a risk to the security of the Member States and whether the applicant intends to leave the territory of the Member States before the expiry of the visa applied for.

2. In the examination of an application for a uniform visa lodged by a VIS registered regular traveller who has lawfully used the **visas obtained within the respective time-limits referred to in Article 2(9)¹ and who is a national of a country listed in the common list referred to in Article 13(2a)**, it shall be presumed that the applicant fulfils the entry conditions (...) **regarding the possession of sufficient means of subsistence.**

¹ Support from **FR, DE, NO, AT, CH** and **CZ**.

3. The presumption referred to in paragraph 2 shall not apply where the consulate has reasonable doubts about the fulfilment of these entry conditions based on information stored in the VIS, such as decisions annulling a previous visa, or in the passport, such as entry and exit stamps **or any other relevant information**. In such cases, the consulates may carry out an interview and request additional documents **as referred to in paragraph 10**.

4. In respect of each application, the VIS shall be consulted in accordance with Articles 8(2) and 15 of (EC) No 767/2008. Member States shall ensure that full use is made of all search criteria pursuant to Article 15 of Regulation (EC) No 767/2008 in order to avoid false rejections and identifications.

5. Without prejudice to paragraph 2, while checking whether the applicant fulfils the entry conditions, the consulate shall verify:

- (a) that the travel document presented is not false, counterfeit or forged;
- (b) the applicant's justification for the purpose and conditions of the intended stay, and that he has sufficient means of subsistence, both for the duration of the intended stay and for the return to his country of origin or residence, or for the transit to a third country into which he is certain to be admitted, or is in a position to acquire such means lawfully;
- (c) whether the applicant is a person for whom an alert has been issued in the Schengen Information System (SIS) for the purpose of refusing entry;
- (d) that the applicant is not considered to be a threat to public policy, internal security or public health as defined in Article 2(19) of Regulation (EC) No 562/2006 or to the international relations of any of the Member States, in particular where no alert has been issued in Member States' national databases for the purpose of refusing entry on the same grounds.
- (e) **that the applicant is in possession of adequate and valid travel medical insurance, where applicable.**

6. The consulate shall, where applicable, verify the length of previous and intended stays in order to verify that the applicant has not exceeded the maximum duration of authorised stay in the territory of the Member States, irrespective of possible stays authorised under a [touring visa], a national long-stay visa or a residence permit.
7. The means of subsistence for the intended stay shall be assessed in accordance with the duration and the purpose of the stay and by reference to average prices in the Member State(s) concerned for board and lodging in budget accommodation, multiplied by the number of days stayed, on the basis of the reference amounts set by the Member States in accordance with Article 34(1)(c) of Regulation (EC) No 562/2006. Proof of sponsorship and/or private accommodation may also constitute evidence of sufficient means of subsistence.
8. In the examination of an application for an airport transit visa, the consulate shall in particular verify:
- (a) that the travel document presented is not false, counterfeit or forged;
 - (b) the points of departure and destination of the third-country national concerned and the coherence of the intended itinerary and airport transit;
 - (c) proof of the onward journey to the final destination.
9. The examination of an application shall be based notably on the authenticity and reliability of the documents submitted and on the veracity and reliability of the statements made by the applicant.
10. During the examination of an application, consulates may in justified cases carry out an interview and request additional documents.
11. A previous visa refusal shall not lead to an automatic refusal of a new application. A new application shall be assessed on the basis of all available information.

Article 19

Prior consultation of central authorities of other Member States

1. A Member State may require the central authorities of other Member States to consult its central authorities during the examination of applications lodged by nationals of specific third countries or specific categories of such nationals. Such consultation shall not apply to applications for airport transit visas.
2. The central authorities consulted shall reply definitively **as soon as possible but not later than** within **seven** calendar days after being consulted. The absence of a reply within this deadline shall mean that they have no grounds for objecting to the issuing of the visa.
3. Member States shall notify the Commission of the introduction or withdrawal of the requirement of prior consultation, **as a rule**, at the latest 15 calendar days before it becomes applicable. This information shall also be given within local Schengen cooperation in the jurisdiction concerned.
4. The Commission shall inform Member States of such notifications.

Article 20

Decision on the application

1. Applications shall be decided on within **15** calendar days of the date of the lodging of an application which is admissible in accordance with Article 17.
2. That period may be extended up to a maximum of **45** calendar days in individual cases, notably when further scrutiny of the application is needed.

3. Applications of (...) family members of Union citizens as referred to in Article 3(1) of Directive 2004/38/EC shall be decided on within **12** calendar days of the date of the lodging of an application. (...) In individual cases, notably when further scrutiny of the application is needed, that period may be extended up to a maximum of **25** calendar days.

4. (...)

5. Unless the application has been withdrawn, a decision shall be taken to:

- (a) issue a uniform visa in accordance with Article 21;
- (b) issue a visa with limited territorial validity in accordance with Article 22;
- (c) issue an airport transit visa in accordance with Article 23; or
- (d) refuse a visa in accordance with Article 29.

The fact that fingerprinting is physically impossible, in accordance with Article 12(7)(b), shall not influence the issuing or refusal of a visa.

CHAPTER IV

ISSUING OF THE VISA

Article 21

Issuing of a uniform visa

1. The period of validity of a visa and the length of the authorised stay shall be based on the examination conducted in accordance with Article 18.
2. A visa may be issued for one or multiple entries. The period of validity of a multiple entry visa shall not exceed five years. The period of validity of a multiple entry visa may extend beyond the period of validity of the passport to which the visa is affixed.

Without prejudice to Article 11(a), the period of validity of a single entry visa shall include a ‘period of grace’ of 15 days. Member States may decide not to grant such a period of grace for reasons of public policy or because of the international relations of any of the Member States.

3. VIS registered regular travellers who **are nationals of countries listed in the common list referred to in Article 13(2a) and**¹ have lawfully used the (...) visas shall be issued a multiple-entry visa valid for at least three years.
4. Applicants (...) who have lawfully used the multiple entry visa (...) **issued pursuant to paragraph 3 and who are nationals of countries listed in the common list referred to in Article 13(2a)**² shall be issued a multiple-entry visa valid for five years provided that the application is lodged no later than one year from the expiry date of the multiple entry visa valid for three years.
- 4a. **Paragraphs 3 and 4 shall not apply where VIS registered travellers have requested a shorter period of validity of a multiple-entry visa or where the consulate has reasonable grounds to grant a visa with a shorter period of validity.**

¹ Support from **DE, FR, NO, CH**.

² Support from **DE, FR, NO, CH**.

5. A multiple-entry visa valid for up to 5 years may be issued to an applicant who proves the need or justifies the intention to travel frequently and/or regularly provided that the applicant proves his integrity and reliability, in particular the lawful use of previous uniform visas or visas with limited territorial validity, his economic situation in the country of origin and his genuine intention to leave the territory of the Member States before the expiry of the visa for which he has applied.

6. The data set out in Article 10(1) of Regulation (EC) No 767/2008 shall be entered into the VIS when a decision on issuing such a visa has been taken.

Article 22

1. A visa with limited territorial validity shall be issued exceptionally, in the following cases:

(a) when the Member State concerned considers it necessary on humanitarian grounds, for reasons of national interest or because of international obligations,

(i) to derogate from the principle that the entry conditions laid down in Article 5(1)(a), (c), (d) and (e) of Regulation (EC) No 562/2006 must be fulfilled;

(ii) to issue a visa despite an objection by the Member State consulted in accordance with Article 19 to the issuing of a uniform visa; or

(iii) to issue a visa for reasons of urgency, although the prior consultation in accordance with Article 19 has not been carried out;

or

(b) when for reasons deemed justified by the consulate, a new visa is issued for a stay during the same 180-day period to an applicant who, over this 180-day period, has already used a uniform visa or a visa with limited territorial validity allowing for a stay of 90 days.

2. A visa with limited territorial validity shall be valid for the territory of the issuing Member State. It may exceptionally be valid for the territory of more than one Member State, subject to the consent of each such Member State.
3. If the applicant holds a travel document that is not recognised by one or more, but not all Member States, a visa valid for the territory of the Member States recognising the travel document shall be issued. If the issuing Member State does not recognise the applicant's travel document, the visa issued shall only be valid for that Member State.
4. When a visa with limited territorial validity has been issued in the cases described in paragraph 1(a), the central authorities of the issuing Member State shall circulate the relevant information to the central authorities of the other Member States without delay, by means of the procedure referred to in Article 16(3) of Regulation (EC) No 767/2008.

- (b) the integrity and reliability of the applicant, in particular the lawful use of previous uniform visas, visas with limited territorial validity or airport transit visas, his economic situation in his country of origin and his genuine intention to pursue his onward journey.

2. The Commission shall by means of implementing acts adopt the details for filling in the visa sticker. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 51(2).
3. Member States may add national entries in the 'comments' section of the visa sticker, which shall **not** duplicate the mandatory entries established in accordance with the procedure referred to in paragraph 2 (...).
4. All entries on the visa sticker shall be printed, and no manual changes shall be made to a printed visa sticker.

5. A visa sticker for a single entry visa may be filled in manually only in case of technical force majeure. No changes shall be made to a manually filled in visa sticker.

Article 25

Invalidation of a completed visa sticker

1. If an error is detected on a visa sticker which has not yet been affixed to the travel document, the visa sticker shall be invalidated.

2. If an error is detected after the visa sticker has been affixed to the travel document, the visa sticker shall be invalidated by drawing a cross with indelible ink on the visa sticker, the optically variable device shall be destroyed and a new visa sticker shall be affixed to a different page.

3. If an error is detected after the relevant data have been introduced into the VIS in accordance with Article 10(1) of Regulation (EC) No 767/2008, the error shall be corrected in accordance with Article 24(1) of that Regulation.

Article 26

5. Individual visas issued to persons who are included in the travel document of the applicant shall be affixed to that travel document.
6. Where the travel document in which such persons are included is not recognised by the issuing Member State, the individual stickers shall be affixed to the separate sheets for affixing a visa.

Article 27

Rights derived from an issued visa

Mere possession of a uniform visa or a visa with limited territorial validity shall not confer an automatic right of entry.

Article 28

Informing central authorities of other Member States

1. A Member State may require that its central authorities be informed of visas issued by consulates of other Member States to nationals of specific third countries or to specific categories of such nationals, except in the case of airport transit visas.

 - (ii) does not provide justification for the purpose and conditions of the intended stay;
 - (iii) does not provide proof of sufficient means of subsistence, both for the duration of the intended stay and for the return to his country of origin or residence, or for the transit to a third country into which he is certain to be admitted, or is not in a position to acquire such means lawfully;

 - (vi) is considered to be a threat to public policy, internal security or public health as defined in Article 2(19) of Regulation (EC) No 562/2006 or to the international relations of any of the Member States, in particular where an alert has been issued in Member States' national databases for the purpose of refusing entry on the same grounds;
 - (vii) does not provide proof of holding adequate and valid travel medical insurance, where applicable;**
 - or
 - (b) if there are reasonable doubts as to the authenticity of the supporting documents submitted by the applicant or the veracity of their contents, the reliability of the statements made by the applicant or his intention to leave the territory of the Member States before the expiry of the visa applied for.

2. A decision on refusal and the reasons on which it is based shall be notified to the applicant by means of the standard form set out in Annex V.

3. Applicants who have been refused a visa shall have the right to appeal. Appeals shall be instituted against the Member State that has taken the (...) decision on the application and in accordance with the national law of that Member State. Member States shall provide applicants with detailed information regarding the procedure to be followed in the event of an appeal, as specified in Annex V.

4. Information on a refused visa shall be entered into the VIS in accordance with Article 12 of Regulation (EC) No 767/2008.

CHAPTER V
MODIFICATION OF AN ISSUED VISA

Article 30

Extension

1. The period of validity and/or the duration of stay of an issued visa shall be extended where the competent authority of a Member State considers that a visa holder has provided proof of force majeure or humanitarian reasons preventing him from leaving the territory of the Member States before the expiry of the period of validity of or the duration of stay authorized by the visa. Such an extension shall be granted free of charge.
2. The period of validity and/or the duration of stay of an issued visa may be extended if the visa holder provides proof of serious personal reasons justifying the extension of the period of validity or the duration of stay. A fee of EUR 30 shall be charged for such an extension.
3. Unless otherwise decided by the authority extending the visa, the territorial validity of the extended visa shall remain the same as that of the original visa.
4. The authority competent to extend the visa shall be that of the Member State on whose territory the third-country national is present at the moment of applying for an extension.
5. Member States shall notify to the Commission the authorities competent for extending visas.
6. Extension of visas shall take the form of a visa sticker.
7. Information on an extended visa shall be entered into the VIS in accordance with Article 14 of Regulation (EC) No 767/2008.

Article 31

Annulment and revocation

1. A visa shall be annulled where it becomes evident that the conditions for issuing it were not met at the time when it was issued, in particular if there are serious grounds for believing that the visa was fraudulently obtained. A visa shall in principle be annulled by the competent authorities of the Member State which issued it. A visa may be annulled by the competent authorities of another Member State, in which case the authorities of the Member State that issued the visa shall be informed of such annulment.
2. A visa shall be revoked where it becomes evident that the conditions for issuing it are no longer met. A visa shall in principle be revoked by the competent authorities of the Member State which issued it. A visa may be revoked by the competent authorities of another Member State, in which case the authorities of the Member State that issued the visa shall be informed of such revocation.

4. Failure of the visa holder to produce, at the border, one or more of the supporting documents referred to in Article 13(4), shall not automatically lead to a decision to annul or revoke the visa.
5. If a visa is annulled or revoked, a stamp stating 'ANNULLED' or 'REVOKED' shall be affixed to it and the optically variable feature of the visa sticker, the security feature 'latent image effect' as well as the term 'visa' shall be invalidated by being crossed out.
6. A decision on annulment or revocation of a visa and the reasons on which it is based shall be notified to the applicant by means of the standard form set out in Annex V.

7. A visa holder whose visa has been annulled or revoked shall have the right to appeal, unless the visa was revoked at his request in accordance with paragraph 3. Appeals shall be conducted against the Member State that has taken the decision on the annulment or revocation and in accordance with the national law of that Member State. Member States shall provide applicants with information regarding the procedure to be followed in the event of an appeal, as specified in Annex V.

8. Information on an annulled or a revoked visa shall be entered into the VIS in accordance with Article 13 of Regulation (EC) No 767/2008.

CHAPTER VI

VISAS ISSUED AT THE EXTERNAL BORDERS

Article 32

Visas applied for exceptionally at the external border

1. In exceptional cases, visas may be issued at border crossing points if the following conditions are satisfied:

(a) the applicant fulfils the conditions laid down in Article 5(1)(a), (c), (d) and (e) of Regulation (EC) No 562/2006;

(b) the applicant has not been in a position to apply for a visa in advance and submits, if required, supporting documents substantiating unforeseeable and imperative reasons for entry; and

(c) the applicant's return to his country of origin or residence or transit through States other than Member States fully implementing the Schengen acquis is assessed as certain.

1a. Where a visa is applied for at the external border, the requirement that the applicant be in possession of travel medical insurance may be waived when such travel medical insurance is not available at that border crossing point or for humanitarian reasons.

2. A visa issued at the external border shall be a uniform visa, entitling the holder to stay for a maximum duration of 15 days, depending on the purpose and conditions of the intended stay. (...)

3. Where the conditions laid down in Article 5(1)(a), (c), (d) and (e) of Regulation (EC) No 562/2006 are not fulfilled, the authorities responsible for issuing the visa at the border may issue a visa with limited territorial validity, in accordance with Article 22(1)(a) of this Regulation, for the territory of the issuing Member State only.

4. A third-country national falling within a category of persons for whom prior consultation is required in accordance with Article 19 shall, in principle, not be issued a visa at the external border.

However, a visa with limited territorial validity for the territory of the issuing Member State may be issued at the external border for such persons in exceptional cases, in accordance with Article 22(1)(a).

5. In addition to the reasons for refusing a visa as provided for in Article 29(1) a visa shall be refused at the border crossing point if the conditions referred to in paragraph 1(b) of this Article are not met.

6. The provisions on justification and notification of refusals and the right of appeal set out in Article 29(3) and Annex V shall apply.

Article 33

Visas applied for at the external border under a temporary scheme

(deleted)

Article 34

- (b) he is crossing the border in question in order to embark on, re-embark on or disembark from a ship on which he will work or has worked as a seafarer.

2. Before issuing a visa at the border to a seafarer, the competent national authorities make sure that the necessary information concerning the seafarer in question has been exchanged.
3. The Commission shall by means of implementing acts adopt operational instructions for issuing visas at the border to seafarers. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 51(2).
4. This Article shall apply without prejudice to Article 32(2), (3) and (4).

TITLE IV

Organisation of visa sections

1. Member States shall be responsible for organising the visa sections of their consulates.

In order to prevent any decline in the level of vigilance and to protect staff from being exposed to pressure at local level, rotation schemes for staff dealing directly with applicants shall be set up, where appropriate. Particular attention shall be paid to clear work structures and a distinct allocation/division of responsibilities in relation to the taking of final decisions on applications. Access to consultation of the VIS and the SIS and other confidential information shall be restricted to a limited number of duly authorised staff. Appropriate measures shall be taken to prevent unauthorised access to such databases.

2. The storage and handling of visa stickers shall be subject to adequate security measures to avoid fraud or loss. Each consulate shall keep an account of its stock of visa stickers and register how each visa sticker has been used.

3. Member States' consulates shall keep archives of applications **in paper or electronic format**. Each individual file shall contain the application form, copies of relevant supporting documents, a record of checks made and the reference number of the visa issued, in order for staff to be able to reconstruct, if need be, the background for the decision taken on the application.

Individual **paper or electronic** application files shall be kept for a minimum of two years from the date of the decision on the application as referred to in Article 20(1).

Article 36

Resources for examining applications and monitoring of consulates

1. Member States shall deploy appropriate staff in sufficient numbers to carry out the tasks relating to the examining of applications, in such a way as to ensure reasonable and harmonised quality of service to the public.
2. Premises shall meet appropriate functional requirements of adequacy and allow for appropriate security measures.
3. Member States' central authorities shall provide adequate training to both expatriate staff and locally employed staff and shall be responsible for providing them with complete, precise and up-to-date information on the relevant Union and national law.
4. Member States' central authorities shall ensure frequent and adequate monitoring of the conduct of examination of applications and take corrective measures when deviations from the provisions of this Regulation are detected.

Article 37

Conduct of staff

1. Member States' consulates shall ensure that applicants are received courteously.
2. Consular staff shall, in the performance of their duties, fully respect human dignity. Any measures taken shall be proportionate to the objectives pursued by such measures.
3. While performing their tasks, consular staff shall not discriminate against persons on grounds of sex, racial or ethnic origin, religion or belief, disability, age or sexual orientation.

Article 38

Consular organisation and cooperation

1. Each Member State shall be responsible for organising the procedures relating to applications.
2. Member States shall:

 - (b) cooperate with one or more other Member States under representation arrangements or any other form of consular cooperation.
3. A Member State may also cooperate with an external service provider in accordance with Article 41.
4. Member States shall notify to the Commission their consular organisation and cooperation in each consular location.
5. In the event of termination of cooperation with other Member States, Member States shall assure the continuity of full service **as soon as practicable**.

Representation arrangements

1. A Member State may agree to represent another Member State that is competent in accordance with Article 5 for the purpose of examining **and taking decisions on visa** applications (...) on behalf of that Member State. A Member State may also represent another Member State in a limited manner only for the collection of applications and the enrolment of biometric identifiers.

1a. **(moved from paragraph 4)** Member States (...) shall **cooperate and** endeavour to conclude **bilateral** arrangements **to prevent a situation in which the Member State that is competent for examining and deciding on an application in accordance with Article 5(1) or (3), is neither present nor represented in the third country where the applicant legally resides or is legally present as referred to in Article 6.**

2. Where the representation is limited to the collection of applications, the collection and transmission of files and data to the represented Member State shall be carried out in compliance with the relevant data protection and security rules.

3. A bilateral arrangement shall be established between the representing Member State and the represented Member State. That arrangement:

(a) shall specify the duration of the representation, if only temporary, and the procedures for its termination;

(b) may, in particular when the represented Member State has a consulate in the third country concerned, provide for the provision of premises, staff and payments by the represented Member State.

(c) (...)

4. **(moved to paragraph 1a.)**

5. With a view to ensuring that a poor transport infrastructure or long distances in a specific region or geographical area do not require a disproportionate effort on the part of applicants to have access to a consulate, Member States lacking their own consulate in that region or area shall endeavour to conclude representation arrangements with Member States that have consulates in that region or area.
6. The represented Member State shall notify the representation arrangements or the termination of those arrangements to the Commission at **the latest one month** before they enter into force or are terminated, **except in the case of force majeure**.
7. The consulate of the representing Member State shall, at the same time that the notification referred to in paragraph 6 takes place, inform both the consulates of other Member States and the delegation of the European Union in the jurisdiction concerned about representation arrangements or the termination of such arrangements.
8. If the consulate of the representing Member State decides to cooperate with an external service provider in accordance with Article 41 or with accredited commercial intermediaries as provided for in Article 43, that cooperation shall include applications covered by representation arrangements. The central authorities of the represented Member State shall be informed in advance of the terms of such cooperation.

Article 40

Recourse to honorary consuls

1. Honorary consuls may be authorised to perform some or all of the tasks referred to in Article 41(5). Adequate measures shall be taken to ensure security and data protection.
2. Where the honorary consul is not a civil servant of a Member State, the performance of those tasks shall comply with the requirements set out in Annex VI, except for the provisions in point D(c) of that Annex.

3. Where the honorary consul is a civil servant of a Member State, the Member State concerned shall ensure that requirements comparable to those which would apply if the tasks were performed by its consulate are applied.

Article 41

Cooperation with external service providers

1. Member States shall endeavour to cooperate with an external service provider together with one or more Member States, without prejudice to public procurement and competition rules.
2. Cooperation with an external service provider shall be based on a legal instrument that shall comply with the requirements set out in Annex VI.
3. The examination of applications, interviews (where appropriate), the decision on applications and the printing and affixing of visa stickers shall be carried out only by the consulate.
4. External service providers shall not have access to the VIS under any circumstances.

Access to the VIS shall be reserved exclusively to duly authorised staff of consulates.

5. An external service provider may be entrusted with the performance of one or more of the following tasks:
 - (a) providing general information on visa requirements and application forms;
 - (b) informing the applicant of the required supporting documents, on the basis of a checklist;
 - (c) collecting data and applications (including collection of biometric identifiers) and transmitting the application to the consulate;
 - (d) collecting the visa fee;
 - (e) managing the appointments for the applicant, where applicable, at the consulate or at the external service provider;

(f) collecting the travel documents, including a refusal notification if applicable, from the consulate and returning them to the applicant.

6. When selecting an external service provider, the Member State(s) concerned shall scrutinise the solvency and reliability of the company, including the necessary licences, commercial registration, company statutes, bank contracts, and ensure that there is no conflict of interests.

7. The Member State(s) concerned shall ensure that the external service provider selected complies with the terms and conditions assigned to it in the legal instrument referred to in paragraph 2.

8. The Member State(s) concerned shall remain responsible for compliance with data protection rules for the processing of data and shall be supervised in accordance with Article 28 of Directive 95/46/EC.

Cooperation with an external service provider shall not limit or exclude any liability arising under the national law of the Member State(s) concerned for breaches of obligations with regard to the personal data of applicants or the performance of one or more of the tasks referred to in paragraph 5. This provision is without prejudice to any action which may be taken directly against the external service provider under the national law of the third country concerned.

9. The Member State(s) concerned shall provide training to the external service provider, corresponding to the knowledge needed to offer an appropriate service and sufficient information to applicants.

10. The Member State(s) concerned shall closely monitor the implementation of the legal instrument referred to in paragraph 2, including:

(a) the general information on visa requirements and application forms provided by the external service provider to applicants;

- (b) all the technical and organisational security measures required to protect personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, in particular where the cooperation involves the transmission of files and data to the consulate of the Member State(s) concerned, and all other unlawful forms of processing personal data;
- (c) the collection and transmission of biometric identifiers;
- (d) the measures taken to ensure compliance with data protection provisions.

To this end, the consulate(s) of the Member State(s) concerned shall, on a regular basis, carry out spot checks on the premises of the external service provider.

11. In the event of termination of cooperation with an external service provider, Member States shall ensure the continuity of full service.

12. Member States shall provide the Commission with a copy of the legal instrument referred to in paragraph 2. By **1st March** each year, Member States shall report to the Commission on their cooperation with and monitoring (as referred to in Annex VI, point C) of external service providers worldwide **during the previous calendar year. The Commission shall transmit a summary of these reports to the Member States for information purposes.**

Article 42

Encryption and secure transfer of data

1. In the case of cooperation among Member States and cooperation with an external service provider and recourse to honorary consuls, the Member State(s) concerned shall ensure that the data are fully encrypted, whether electronically transferred or physically transferred on an electronic storage medium.
2. In third countries which prohibit encryption of data to be electronically transferred the Member State(s) concerned shall not allow transfer data electronically.

In such a case, the Member State(s) concerned shall ensure that the electronic data are transferred physically in fully encrypted form on an electronic storage medium by a consular officer of a Member State or, where such a transfer would require disproportionate or unreasonable measures to be taken, in another safe and secure way, for example by using established operators experienced in transporting sensitive documents and data in the third country concerned.

3. In all cases the level of security for the transfer shall be adapted to the sensitive nature of the data.

4. The Union shall endeavour to reach agreement with the third countries concerned with the aim of lifting the prohibition against encryption of data to be electronically transferred.

Article 43

Member States' cooperation with commercial intermediaries

1. Member States may accept the lodging of applications by a private administrative agency, a transport company or a travel agency, such as a tour operator or a retailer (commercial intermediaries), except for the collection of biometric identifiers.

2. Cooperation with commercial intermediaries shall be based on the granting of an accreditation by Member States' relevant authorities. The accreditation shall, in particular, be based on the verification of the following aspects:

(a) the current status of the commercial intermediary: current licence, the commercial register, contracts with banks;

(b) existing contracts with commercial partners based in the Member States offering accommodation and other package tour services;

(c) contracts with transport companies, which must include an outward journey, as well as a guaranteed and fixed return journey.

3. Accredited commercial intermediaries shall be monitored regularly by spot checks involving personal or telephone interviews with applicants, verification of trips and accommodation, **verification that the travel medical insurance provided is adequate and covers individual travellers**, and wherever deemed necessary, verification of the documents relating to group return.

4. Within local Schengen cooperation, information shall be exchanged on the performance of the accredited commercial intermediaries concerning irregularities detected and refusal of applications submitted by commercial intermediaries, and on detected forms of travel document fraud and failure to carry out scheduled trips.

5. Within local Schengen cooperation, lists shall be exchanged of commercial intermediaries to which accreditation has been given by each consulate and from which accreditation has been withdrawn, together with the reasons for any such withdrawal.

Each consulate shall inform the public about the list of accredited commercial intermediaries with which it cooperates.

Member States shall compile annual statistics on visas, in accordance with Annex VIII. These statistics shall be submitted by 1 March for the preceding calendar year.

Article 45

- (h) that mere possession of a visa does not confer an automatic right of entry and that the holders of visa are requested to present proof that they fulfil the entry conditions at the external border, as provided for in Article 5 of Regulation (EC) No 562/2006.
- (i) the list of third countries referred to in Article 13(2a).¹**

3. The Commission shall establish a standard information template for the implementation of the provisions of paragraph 1.
4. The Commission shall establish a Schengen visa Internet website containing all relevant information relating to the application for a visa.

¹ Support from **FR, DE**. **FR** suggested informing the public about the suspension of the procedural facilitations by a Member State as well. **COM** stressed that the public and visa applicants in particular should be informed, not only about the common list, but also national lists. The **Chair** concluded that the comments made by FR, DE and COM would be taken into account.

I declare that to the best of my knowledge all particulars supplied by me are correct and complete. I am aware that any false statements will lead to my application being rejected or to the annulment of a visa already granted and may also render me liable to prosecution under the law of the Member State which deals with the application. I undertake to leave the territory of the Member States before the expiry of the visa, if granted. I have been informed that possession of a visa is only one of the prerequisites for entry into the European territory of the Member States. The mere fact that a visa has been granted to me does not mean that I will be entitled to compensation if I fail to comply with the relevant provisions of Article 5(1) of Regulation (EC) No 562/2006 (Schengen Borders Code) and I am therefore refused entry. The prerequisites for entry will be checked again on entry into the European territory of the Member States.
