Fax: +48 222059501

NUTS code: PL911

Internet address(es):

Main address: <https://etendering.ted.europa.eu/cft/cft-display.html?cftId=3080>

### I.2) Joint procurement

### I.3) Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at: <https://etendering.ted.europa.eu/cft/cft-display.html?cftId=3080>

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted to the abovementioned address

### I.4) Type of the contracting authority

European institution/agency or international organisation

### I.5) Main activity

General public services

## Section II: Object

### II.1) Scope of the procurement

#### II.1.1) Title:

Coastal surveillance aerostats — deployment and trial.

Reference number: Frontex/OP/1048/2017/JL.

#### II.1.2) Main CPV code

35120000

#### II.1.3) Type of contract

Services

II.1.4) Short description:

The procurement defined in this document consists of the delivery by 2 different providers of 2 sets of surveillance aerostats, data transmission, payload control and the necessary expertise to deploy and manage them. These 2 systems will be used for the execution of a pilot project to test, compare, and evaluate different surveillance aerostat. The deployment, test, and evaluation will be carried out in 2 fixed points of the coast of 1 EU Member State, over a specified time-line.

II.1.5) Estimated total value

Value excluding VAT: 400 000.00 EUR

II.1.6) Information about lots

This contract is divided into lots: yes

Tenders may be submitted for maximum number of lots: 2

II.2) Description

II.2.1) Title:

Surveillance aerostat with IR/EO camera

Lot No: 1

II.2.2) Additional CPV code(s)

35120000

II.2.3) Place of performance

NUTS code: EL

Main site or place of performance:

North coast of the Greek island of Lesvos.

II.2.4) Description of the procurement:

Lot 1 refers to surveillance aerostat with camera. During the pilot project, the 2 selected providers will deploy their respective aerostat and will persistently transfer the information captured by the aerostat payload to the Local Coordination Centre. At the Local Coordination Centre the staff from the host border authorities, properly trained and supported by the provider, will manage the payload and will be able to further distribute the information captured.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 15

This contract is subject to renewal: no

II.2.10) Information about variants

Variants will be accepted: no

II.2.11) Information about options

Options: no

II.2.12) Information about electronic catalogues

II.2.13) Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14) Additional information

II.2) Description

II.2.1) Title:

Surveillance aerostat with IR/EO camera and a radar

Lot No: 2

II.2.2) Additional CPV code(s)

35120000

II.2.3) Place of performance

NUTS code: EL

Main site or place of performance:

North coast of the Greek island of Lesvos.

II.2.4) Description of the procurement:

Lot 2 refers to surveillance aerostat with camera and radar. During the pilot project, the 2 selected providers will deploy their respective aerostat and will persistently transfer the information captured by the aerostat payload to the Local Coordination Centre. At the Local Coordination Centre the staff from the host border authorities, properly trained and supported by the provider, will manage the payload and will be able to further distribute the information captured.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 15

This contract is subject to renewal: no

II.2.10) Information about variants

Variants will be accepted: no

II.2.11) Information about options

Options: no

II.2.12) Information about electronic catalogues

II.2.13) Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14) Additional information

Section III: Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The tenderer's legal capacity will be evaluated using the following criteria:

A tenderer is asked to prove that it is authorised to perform the contract under its national law.

Evidence required:

The tenderer must be registered in a relevant commercial or trade register. Evidence of that must be provided by submission of a certificate of professional or commercial registration imposed by the country in which the tenderer is established. If the tenderer is not required or permitted to enrol in such a register for reasons of his statute or legal status, an explanation should be provided.
