Dear,

Europol plans to organise the second ARGOS meeting in 2017. This EU wide **conference on covert surveillance** brings together European subject matter experts from all EU member states.

To ensure the effectiveness and optimise the logistics for such a conference we want to involve, from the start, the regional informal network groups (CSW, SENSEE), representatives for the member states that are not part of a network (Baltic States) and other international partners such as PCCSEE Secretariat.

It is our pleasure to invite you to an initiating meeting that aims to explore the needs of all stakeholders, collect the ideas on what the content of the ARGOS conference should be and agree on logistical and financial agreements.

Please confirm your participation before 21 October 2016 by mail to [redacted]. Enclosed you find a draft agenda and more details on timing and travel arrangements.

Sincerely,

[redacted signature]
