Dear Chris,

Thank you for your e-mail of 23rd July, in which you ask whether the former UKBA currently own or lease any Unmanned Aerial Systems. Your request has been handled as a request for information under the Freedom of Information Act 2000.

We have carried out a thorough search and we have established that the Home Office does not hold the information which you have requested because the former UKBA did not own or lease any Unmanned Aerial Systems.

If you are dissatisfied with this response you may request an independent internal review of our handling of your request by submitting a complaint within two months to the address below, quoting reference FOI 28296. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the Department's handling of your information request will be reassessed by staff who were not involved in providing you with this response. If you remain dissatisfied after this internal review, you would have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

Yours sincerely
