CORRIGENDUM

**to the
DRAFT
MINUTES**

of the 1933rd meeting of the Council
(Justice and Home Affairs)

held in Luxembourg on Tuesday 4 June 1996

On page 11, the first paragraph under item 12 "Financing of Title VI" should be replaced by the following:

The Netherlands delegation expressed its concern at the lack of any decision on financing, six months having elapsed since ECU 14,4 million were entered in the 1996 budget. It urged the Presidency to step up work on the subject so that an early decision could be taken **and thus not only the funds for JHA cooperation in general, but also the funds specifically available for the EDU, could be expended.** It mentioned a number of conditions that ought to be added to permit Community funding of national projects (national joint funding up to 50% of the costs of the project, participation of at least two Member States, exclusion of equipment costs, etc.).
