Decision of the European Ombudsman closing his inquiry into complaint
2166/2012/BEH against the European Police Office (EUROPOL)

Dear Mr Wainwright,

Please find enclosed a copy of my above decision, which has been sent
to the complainant, Mr Tony Bunyan who acted on behalf of Statewatch.

In my decision, I pointed out that I consider that the issues raised in the
present complaint would more effectively be dealt with in the framework of my
ongoing own-initiative inquiry OI/9/2012/OV. I have therefore closed my
inquiry into complaint 2166/2012/BEH.

Yours sincerely,

P. Nikiforos Diamandouros
