Closed case 2273/2019/MIG

Subject: Follow-up to the proposal for a solution in the above-mentioned inquiry on the European Border and Coast Guard Agency's (Frontex) public register of documents

Dear Mr Jones,

Please find attached, for your information, a letter from Frontex dated 28 February 2022 informing my Office about its follow-up actions in response to my proposal for a solution in the above case which Statewatch submitted in 2019.

Frontex followed up on its commitment to establish a public register of documents. It also now includes the number of sensitive documents it holds in its annual reports (68 in 2020), and has published the figure for the year 2019 (151).

Yours sincerely,

Emily O'Reilly
