

Future Group on Travel Intelligence and Border Management

Frontex Headquarters, Warsaw, Poland

Meeting Room 605/606 (9 December) and 602 (10 December)

Draft AGENDA 3rd Workshop

9 December 2019

- 12:30 Lunch (VIP room, 14th floor)
- 13:30 1. Opening
- *Introduction of participants*
 - *Recap from the first two workshops*
 - *Presentation of agenda and objectives of this 3rd workshop*
It is the intention to look at the concept of risk management/ profiling/targeting from different angles. Notably, the existing and developing practices along the different stages of the border continuum will be looked at, using the varying sets of information available during those respective stages. Possibly, this may offer an image of how such processes may benefit from streamlining, intelligence sharing, best practices or interconnection.
- 14:30 2. Risk management processes of Third Country Nationals **before the borders**
- a) Schengen Visa Applicants
- Presentation from French and Dutch National experts on visa processing (tbc)*
- Discussion*
- 15:15 Coffee break (6th floor)
- 15:30 b) ETIAS applicants
- Presentation from Frontex Risk Analysis Unit Expert about Screening Rules*
- Discussion*
- 16:15 c) *Use of advanced information for creation of risk profiles and developing risk indicators*
- Presentation from Frontex Research and Innovation Unit*
- Discussion*
- 17:00 End of day 1
