NOTE

From: Presidency
To: JHA Counsellors/Mixed Committee
(EU-Iceland/Liechtenstein/Norway/Switzerland)
Subject: Proposal for a Regulation of the European Parliament and of the Council on the European Border and Coast Guard and repealing Regulation (EC) No 2007/2004, Regulation (EC) No 863/2007 and Council Decision 2005/267/EC

This proposal, which is part of the Borders legislative package, was submitted by the Commission on 15 December 2015, aiming at setting up a European Border and Coast Guard which would be consisting of the European Border Agency (replacing Frontex) and national authorities responsible for border management. The primary objective of the European Border and Coast Guard would be to ensure and implement, as a shared responsibility, the European integrated border management at the external borders with a view to managing migration effectively and ensuring a high level of security within the EU, while safeguarding EU-internal free movement. Bearing in mind the mandates given by the European Council in December 2015, a swift agreement on this proposal is a matter of absolute priority.

Delegations will find in the Annex to this Note a series of Presidency draft compromise suggestions regarding most provisions in Chapter I and Chapter II Section II of the proposal; on the basis of the discussions that have taken place so far at the Working Party on Frontiers, as well as of the written contributions submitted by delegations. It is noted that there are no compromise suggestions as yet for draft Article 2 (which is put in square brackets).

The JHA Counsellors are invited to examine the attached Presidency compromise suggestions. The suggested compromise text is demonstrated in bold and underline.
