## NO ONE IS ILLEGAL INTERNATIONAL CONFERENCE

The No One Is Illegal Manifesto Group is part of a global network of No Borders/No One Is Illegal campaigns. Come to our second annual gathering and see how we can internationalise the struggle.

### “THEIR SLOGANS AND OURS”

**SATURDAY, June 25th 2005 1:00pm - 6:00pm**  
Cross St Chapel, Cross Street, Manchester - Wheelchair accessible  
(City Centre). 2 minutes walk from Albert Square, 15 minutes from Piccadilly.

### COME AND DISCUSS WHAT IS MEANT BY OUR SLOGANS

- **NO ONE IS ILLEGAL!**
- **SOLIDARITY NOT SYMPATHY!**
- **FOR A WORLD WITHOUT BORDERS!**
- **DEFEND THE OUTLAWS!**

### Let's discuss how we can implement these slogans

- How do we encourage the labour movement to unionise ALL workers irrespective of immigration status & support their fight to remain?
- How can the unions resist & sabotage internal controls & fight to break the link between immigration status & welfare entitlements?
- How can we pressurise local authorities, voluntary & community groups to resist the lure of immigration slave labour?
- How do we fight deportation cases through solidarity & not by appeals to sympathy?
- How do we organise direct action alongside the 'undocumented'?
- How do we internationalise the struggle by working with other No One Is Illegal/No Borders groups globally?
- How do we place this struggle as a central & crucial part of the resistance against racism?
