NOTE

from: Presidency
to: JHA Counsellors
on: 30 April 2012
No. Cion prop.: 11214/11 ASILE 46 CODEC 981

Subject: Amended proposal for a Directive of the European Parliament and of the Council laying down standards for the reception of asylum seekers
- Examination of text of European Parliament in view of first informal trilogue

With a view to preparing the first informal trilogue on the amended recast of the Reception Conditions Directive, the Presidency invites the Justice and Home (JHA) Counsellors to examine on 30 April the text of the European Parliament. This text is reflected in the second column of the comparative table that appears in Annex.

The EP text is based on its first reading Position on the initial Commission proposal (including linguistic suggestions) and the amendments of the approach of the LIBE rapporteur and the shadow rapporteurs on the amended Commission proposal as annexed to the letter of the Chair of the Committee on Civil Liberties, Justice and Home Affairs to the Chair of the Committee of Permanent Representatives of 16 April 2012 (8796/12). The differences between the EP text and the amended recast are indicated in ***bold italics*** whereby lawyer-linguistic changes are indicated in *italics* only.

With a view to streamlining the examination on 30 April, the Presidency also submits to the JHA Counsellors the outcome of the first meeting of the technical group that prepares the first informal trilogue. This group consists of representatives of the European Parliament, the Commission and the current and incoming Presidencies of the Council. The outcome of its first meeting, which took place on 23 April, is set out in the fourth column of the comparative table. It indicates for all provisions of the amended recast where:

- EP text and the Council text are identical;
- EP text and/or the Council text are not admissible because placed in "white parts" of the amended recast on which the Commission did not make any proposals;
- issues need to be further discussed because the EP and the Council have different views or for reasons of clarification.
