Dear Mr Driver

DATA PROTECTION ACT 1998 - SUBJECT ACCESS

I refer to your application form in which you requested information under the above Act that may be held about you by the Metropolitan Police Service (MPS).

I apologise for the delay in processing your request and for any inconvenience caused.

The Data Protection Act places an obligation on the MPS to provide you with a copy of that information, unless disclosing such data would be likely to prejudice the prevention and detection of crime and/or the apprehension or prosecution of offenders.

From the personal details supplied in your request, the information the Commissioner is required to supply you with is enclosed.

You may wish to know that under the Act, the data supplied is held by the MPS under the 'Standard Police Notification' for the Purpose of Policing.

Any information held that can identify a third party, or that you are otherwise not entitled to, has been edited out.

Please note this letter cannot be used as a certificate of good character.

If you consider the information to be incorrect please write to the above address, stating your concerns clearly and concisely.

Yours sincerely

Michela Holmes
