Starts by saying: "

Great manoeuvres in penitentiary establishments and identification and expulsion centres (CIEs) to find spaces, that are almost non-existent, to enable a likely mass imprisonment. In the period that runs from 13 to 26 October, detention facilities will be in a state of alert due to operation "Mos Maiorum", a gigantic policing operation that aims to stop, control and identify all the migrants who will be intercepted in the European territory. Moreover, 18,000 police officers will be deployed to serve in stations, trains, ports and airports for the purpose of identifying and, if possible, arrest as many irregular migrants as possible. The European note that was made public thanks to the humanitarian association Statewatch tells us that, from 13 to 26 October, Italy will lead the continental police operation....
