VALLETTA SUMMIT ON MIGRATION (11-12 November 2015)

WORKING DRAFT THREE - OUTCOME DOCUMENT

Version 12 October

There is broad agreement that the Valletta Summit on migration should endorse two documents at the end of its session: a political declaration and an action plan. Below are the elements that will frame the Valletta Action Plan.

\*\*\*

**Introduction**

The Valletta Summit adopts an Action Plan built around five priority domains. The implementation of its specific actions will be conducted in a comprehensive, coherent and fair manner, taking into account the linkages between the different areas for action, in a spirit of partnership, ownership and shared responsibility.

We agree to conduct **regular high-level dialogue** on migration through existing mechanisms, including the Rabat and Khartoum Processes and the Migration and Mobility Dialogue.

We recall the **Joint Africa-EU Declaration on Migration and Development of 2006**, the EU-Africa Declaration on Migration and Mobility of 2014, the UN Agenda 2030 for Sustainable Development, the Declarations of the Ministerial Conferences of the Rabat Process and of the Khartoum Process on 27 November and 28 November 2014 respectively.

We underline that the proposed actions should be seen as part of one **package** and should be implemented in parallel while allowing for differentiation in relation to each country.

We set up for the implementation of the Valetta Action Plan:

**a) Financial support** through existing financial instruments and the EU Trust Fund (to be detailed)

**b) Follow-up arrangements, including for joint monitoring and evaluation**, through the existing processes, such as the Rabat process, Khartoum process and in the framework of the Joint EU – Africa Strategy

**Gender** as cross cutting issue applicable to all clusters of actions – to be mentioned as other cross cutting issues in the political declaration.
