On page 57 of document ST 10827/17 INIT, the last paragraph should read as follows:

**(4) Scheduling of new psychoactive substances (NPS) at the EU level [Measure 4]**

*Objective under EE Presidency:*

*During the EE Presidency, upon the conclusion of the consultation with the Parliament, the Council will decide on subjecting NPS acryloylfentanyl to control measures. The HDG will be requested to analyse the Commission's proposal as regards furanylfentanyl and Member States together with the Commission will decide if further assessment will be necessary as regards 6 new NPS, on which the EMCDDA and Europol recently presented the initial reports.*

On page 58 of document ST 10827/17 INIT, the first paragraph should read as follows:

**(5) Adoption of the new EU Action Plan on Drugs for 2017-2020 [Measure 30]**

*Progress under MT Presidency:*

*In early 2017 the Commission presented the results of the mid-term evaluation of the EU Drugs Strategy. In March 2016 the Commission presented the draft EU Action Plan on Drugs for 2017-2020. HDG examined and endorsed this Action Plan with certain modifications on 6 June 2017. The Council adopted the Action Plan on 20 June 2017.*
