*– Presidency proposals following the meeting of "focal points" on 4 May 2004*

---

Following the meeting of "focal points" on 4 May 2004, delegations will find attached a series of draft texts on which there seems to be a likelihood of broad consensus in the context of an overall agreement.

While the Presidency continues to operate on the basis of the principle that nothing is agreed until everything is agreed, it does not believe that further discussion at Ministerial level is necessary at this stage.

**PROTOCOL ON DENMARK**

**Amended Protocol No 5 on the position of Denmark**

THE HIGH CONTRACTING PARTIES,

RECALLING the decision of the Heads of State or Government, meeting within the European Council at Edinburgh on 12 December 1992, concerning certain problems raised by Denmark on the Treaty on European Union,

HAVING NOTED the position of Denmark with regard to citizenship, economic and monetary union, defence policy, and justice and home affairs as laid down in the Edinburgh decision,

CONSCIOUS of the fact that a continuation under the Constitution of the legal regime originating in the Edinburgh decision will significantly limit Denmark's participation in important areas of cooperation of the Union, **and that it would be in the best interest of the Union to ensure the integrity of the *acquis* in the area of freedom, security and justice,**

WISHING therefore to establish a legal framework that will provide an option for Denmark to participate in the adoption of measures proposed on the basis of Part III, Title III, Chapter IV of the Constitution and welcoming the intention of Denmark to avail itself of this option when possible in accordance with its constitutional requirements,

NOTING that Denmark will not prevent the other Member States from further developing their cooperation with respect to measures not binding on Denmark,

BEARING IN MIND the **Protocol on the Schengen *acquis* integrated into the framework of the European Union,**

HAVE AGREED UPON the following provisions, which shall be annexed to the Constitution:

## PART I

### Article 1

Denmark shall not take part in the adoption by the Council of proposed measures pursuant to Part III, Title III, Chapter IV of the Constitution. The unanimity of the members of the Council, with the exception of the representative of the government of Denmark, shall be necessary for the decisions of the Council which must be adopted unanimously. **For the purposes of this Article, a qualified majority shall be defined as a majority of the members of the Council representing the participating Member States, comprising at least three fifths of the population of the participating Member States** <sup>1</sup>.

### Article 2

None of the provisions of Part III, Title III, Chapter IV of the Constitution, no measure adopted pursuant to that Chapter, no provision of any international agreement concluded by the Union pursuant to that Chapter, and no decision of the Court of Justice of the European Union interpreting any such provision or measure shall be binding upon or applicable in Denmark; and no such provision, measure or decision shall in any way affect the competencies, rights and obligations of Denmark; and no such provision, measure or decision shall in any way affect the *acquis communautaire* and of the Union nor form part of Union law as they apply to Denmark.

### Article 3

Denmark shall bear no financial consequences of measures referred to in Article 1, other than administrative costs entailed for the institutions.

### Article 4

1. Denmark shall decide within a period of 6 months after the adoption of a measure to build upon the Schengen *acquis* covered by Part I of this Protocol whether it will implement this measure in its national law. If it decides to do so, this measure will create an obligation under international law between Denmark and the other Member States bound by the measure.
2. If Denmark decides not to implement a measure of the Council as referred to in paragraph 1, the Member States **bound by that measure and Denmark** will consider appropriate **steps** to be taken.
3. Denmark shall maintain the rights and obligations existing before the entry into force of the Constitution with regard to the Schengen *acquis*.

---

<sup>1</sup> **This paragraph requires a transitional provision on the definition of a qualified majority before 1 November 2009 which, in accordance with the legal-technical approach proposed by the Working Party of IGC Legal Experts in document CIG 50/03 (and its ADD 1), should appear in a single "Protocol on transitional provisions". However, transferring such transitional provisions to the "Protocol on transitional provisions", which has been approved by all other delegations, raises issues of political opportuneness for the delegations of Spain and Poland. In accordance with the Working Party's approach, the transfer will be made if those issues of political opportuneness have been resolved.**

## PART II

### Article 5

With regard to measures adopted by the Council pursuant to Articles I-40, III-196(1) and Articles III-210 to III-215 of the Constitution, Denmark does not participate in the elaboration and the implementation of decisions and actions of the Union which have defence implications. Therefore Denmark shall not participate in their adoption. Denmark will not prevent the other Member States from further developing their cooperation in this area. Denmark shall not be obliged to contribute to the financing of operational expenditure arising from such measures, nor to make military capabilities available to the Union.

## PART III

### Article 6

This Protocol shall also apply to measures remaining in force by virtue of Article IV-3 of the Constitution, which were covered by the Protocol on the position of Denmark annexed to the Treaty on European Union and to the Treaty establishing the European Community prior to the entry into force of the Constitution.

### Article 7

Articles 1, 2 and 3 shall not apply to measures determining the third countries whose nationals must be in possession of a visa when crossing the external borders of the Member States, or measures relating to a uniform format for visas.

## PART IV

### Article 8

At any time Denmark may, in accordance with its constitutional requirements, inform the other Member States that it no longer wishes to avail itself of all or part of this Protocol. In that event, Denmark will apply in full all relevant measures then in force taken within the framework of the Union.

### Article 9

1. At any time and without prejudice to Article 8 Denmark may, in accordance with its constitutional requirements, notify the other Member States that with effect from the first day of the month following the notification Part I of this Protocol shall consist of the provisions in the Annex to this Protocol.

2. Six months after the date on which such notification takes effect all Schengen *acquis* and measures adopted to build upon this *acquis*, which until then have been binding on Denmark as obligations under international law, shall be binding upon Denmark as Union law.

## Annex to the Protocol

**2. If after a reasonable period of time a measure referred to in paragraph 1 cannot be adopted with Denmark taking part, the Council may adopt such measure in accordance with Article 1 without the participation of Denmark. In that case Article 2 applies.**

### Article 4

Denmark may at any time after the adoption of a measure pursuant to Part III, Title III, Chapter IV of the Constitution notify its intention to the Council and the Commission that it wishes to accept that measure. In that case, the procedure provided for in Article III-326(1) of the Constitution shall apply *mutatis mutandis*.

---

<sup>1</sup> See the footnote in relation to Article 1 of Part I of the Protocol.

## Article 5

1. Notification pursuant to Article 4 shall be submitted no later than 6 months after the final adoption of a measure if this measure is building upon the Schengen *acquis*. 2. A notification pursuant to Article 3 or Article 4 with respect to measures building upon the Schengen *acquis* shall be deemed irrevocably to be a notification pursuant to Article 3 with respect to any further proposal or initiative aiming to build upon that measure to the extent that such proposal or initiative is building upon the Schengen *acquis*.

## Article 7

Where Denmark is not bound by a measure adopted pursuant to Part III, Title III, Chapter IV of the Constitution, it shall bear no financial consequences of that measure other than administrative costs entailed for the institutions unless the Council, acting unanimously after consulting the European Parliament, decides otherwise.
